

The one thing that I always notice first when speaking with someone is their teeth. I made a decision to have cosmetic surgery done on my teeth and I am very happy with the outcome. The experience with Mr Rothstein and Mr Navarro has been great. I received many compliments from everyone I meet. My dream someday was to have perfect teeth. I am very satisfied with my smile and I cannot wait to show people how great my teeth look.

Caitie Navarro

Nicholas Navarro, D.D.S.

Jeffrey Rothstein, D.M.D.
